### Description

Really had no intentions of selling this one up until the moment entries were due really needing to keep numbers in check so i gotta let some go I'd much rather be holding on too. This ones dam was purchased in the Online National Sale a few years back she was as pretty as a picture with beautiful montadale breed character and i just had to click the bid button on her. Photo of the dam is included in the photos for reference. Sired by the class winning February Ram Lamb at the 2022 National Sale his picture is also included for reference. Transportation to NAILE in November is available if needed. Twin
