Species Cattle

Description

A registered Hereford cow with a remarkable pedigree Stacie x Roll Tide. Her dam (pictured) is at the heart of the McDonald herd, and she wouldn't be available if she had settled AI. She weaned off one of the heaviest calves last year. She's the sound, easy going, easy keeping kind that will put a check in the bank every fall. Stacie Tide is confirmed pregnant - a guaranteed black baldie calf. Service Sire Bred to PSC MR Triple X 114J Reg: 530857 | Maine Due Date: 04/14/25
