Description

This flashy and docile bull will turn heads when he enters the ring with the loud color and power he carries. The white color with a splash of red will make him unique and go unnoticed. The power he has no doubt will set him apart with a strong, wide hind quarters and even throughout. In addition, to making this an excellent show specimen, he will in turn make a great breeding prospect with low birth weight. Moreover, this

bull is so docile you can do anything with him and his 4-year-old girl adores him every day. Lastly, he for sure is double clean with THF, PHAF, and DS pending.
