Description

To round out the offering of the 3 amigos we bring the youngest but stoutest . This heifer has a feminine front 1/3, she has plenty of natural depth and swoop of belly, climb in on-top of her and study the width she carries from front to back. This is one of my personal favorites of the Candyman daughters and honestly not looking forward to selling her. Buy with confidence and appreciate all of them for the consistency and quality they offer.
