Description

Stout and rugged describes this bull! I couldn't be more excited for the future of this young bull and feel he will add value to any program. He has a ton of shape and dimension while still being soft structured, huge centered with added length of body. "BPB Let the Good Times Roll" comes from a family that is no stranger to hanging banners. His Dam was the 2022 MI SHOWS champion Angus heifer. In addition, he is the maternal sib to the 2024 Michigan Beef Expo champion Angus heifer. He is a very docile, yet a highly functional bull that will meet your breeding needs in whatever direction you decide to use him for!
