Description

Jaxie is a female with a lot to offer. She has an exceptional disposition and had a 74 pound actual birth weight. She is a true calving ease female with a +12 CED(10%), -1.0 BW(10%), +14 CEM(4%) that also has very good growth +82 WW(15%) and +139 YW(20%) as well as +1.20 Marb(20%). Additionally, her Claw(top 5%) and Hoof Angle(top 2%) EPDs represent reality in this cow family. A favorite of ours from from her first day, she would be an excellent addition to your small herd, especially if you like a friendly one.
