Description

We had over 20 fall lambs this year and probably the best group of lambs we have ever had. These two fall ewe lambs are coming right off the top of that group. MJ is a Captain son we used for falls and then sold him in the Illinois online sale where he sold to Stunkel Dorsets. Nichols 2222 was high selling ewe in their online sale a couple years ago and is a Calculated Risk daughter and is full of the Sweetness line. This ewe lamb is really upheaded and has a beautiful Dorset head.
