Donor 444 has been a cornerstone in our program. She is the mother of Risk It For The Biscuit, Butter My Biscuit, and countless high selling steers. We are offering 3 grade one embryos to Maternal Made. We made this mating in hopes of making some super good replacements or the next donor. Join us on this adventure as we try to make outstanding females to produce top selling steers. We can't wait to see the results! She has done nothing but make us money and we are offering the same opportunity too. Conventional Embryos
