Donor Donor 444

Description

Donor 444 has been a cornerstone in our program. She is the mother of Risk It For The Biscuit, Butter My Biscuit, and countless high selling steers. We are offering 3 grade one embryos to Hammer Time. We have had several success stories on this mating from our customers. Purchase these with confidence and become the next success story in the donor 444 chapter. She has done nothing but make us money and we are offering the same opportunity too. Conventional Embryos
