Donor Donor 444

Description

Donor 444 has been a cornerstone in our program. She is the mother of Risk It For The Biscuit, Butter My Biscuit, and countless high selling steers. We are offering 3 grade one embryos to WID. We have sold full sibs to this mating in our annual spring sale in previous years. Take advantage of this opportunity, as donor 444 was injured this past summer and we are on borrowed time to produce this mating. She has done nothing but make us money and we are offering the same opportunity too. Conventional Embryos
