Donor Donor 444

Description

Donor 444 has been a cornerstone in our program. She is the mother of Risk It For The Biscuit, Butter My Biscuit, and countless high selling steers. We are offering 3 grade one embryos to HIA which will produce full sibs to Risk It For The Biscuit and Butter My Biscuit, we have only offered this mating one other time, which were purchased by Osborn Cattle. Take advantage of this opportunity, as donor 444 was injured this past summer and we are on borrowed time to produce this mating. She has done nothing but make us money and we are offering the same opportunity too. Conventional Embryos
