Description

This heifer is sired by one of Boyd's hottest new sires. Her mother's full sister brought \$60K in Denver. She is one of the highest headed and necked hereford heifers we have seen in quite some time. She is long spined, long hipped, sound, with great rib cage design and the big swooping belly that it takes to compete in these heifer shows. All of this backed by a strong pedigree.
