Description

Whenever this one's mother calved we had instantly noticed that there was a lot of quality packed into this one. As an added bonus she laid down and had another and we were doing high fives whenever we found that they were both heifers. This one's head sets up high and on a swivel, whenever you see her walking around here on the farm you notice her at an instant with her cockiness and you know she wants you to look at her. Super elite package here, big hair, big body, big time potential. Buyer will be responsible for registration papers for anything bringing less than \$2,500.
