**Description**

Just look at his color, what do you call that? Want to stand out? This is the one! This is how IGWT are suppose to look at this age. He is correct in his shoulder angle, hocks, & pasterns. This one was built for the long haul. He will continue to improve and is backed by a powerful pedigree. His mother is a full sib to Risk It For The Biscuit. He is good enough to compete for an experienced showman and gentle enough for a young showman to handle.
