Description

This one's full sib 24-1 is one that we think will absolutely not be easily reckoned with. But this one right here we have just as high expectations. We have had a lot of success with char composite animals and we think this one will carry on the trend. Super super in her front 1/3 with the perfect amount of mass and substance to her to make an excellent show heifer and cow. We truly love the mating of these and how the dam of these continues to keep cranking them out. We think stars are the limit! Buyer will be responsible for registration papers for anything bringing less than \$2,500.
