Description

Hell they are all good! One of the hardest parts is writing comments about your own cattle is the same thing over and over. We encourage you to come take a look at this set of calves in person and let them speak for themselves we have that much confidence in this set as any we have ever put together. With that said this guy hits all the usual remarks made in any comment on a flat good one! Buyer will be responsible for registration papers for anything bringing less than \$2,500.
