Description

Did I mention we had a hard time deciding what we wanted to start with this year? We absolutely love this set of calves from top to bottom. This Here I Am has all the bells and whistles and a killer cool look. He is out of the first female we kept out of the 43 donor that never missed for us selling over \$65000 worth of calves in her career. One of the younger calves we are offering but a damn good one and couldn't be more excited about his mamas future following in her dams foot steps right off the start with a home run! Buyer will be responsible for registration papers for anything bringing less than \$2,500.
