Description

Now lets talk about steer making machine! As Kevin watched her walk in the picture pen he looks at her 3 times looks at me and says are you stupid get her out of here you are completely crazy for selling something that has the potential to make major money down the road as a cow. We do think this gal has a huge future not only as a cow but when that new hair comes back after shucking that baby hair right before picture day she will be a hard one to get around this summer and fall. The overall mass and femininity she posses is like no other. We retain the right to 2 successful flushes with a minimum of 6 eggs per flush. Buyer will be responsible for registration papers for anything bringing less than \$2,500.
