**Description**

This one may not have the bells and whistles that some of the others come with, but he is just a good built, big hipped and stout bull calf. Very sound, built for longevity! If I was in the market for a new clean up bull or an easy feeding steer project, I would grab this one up in a heartbeat. Did I mention his granddam is a full sib to Cerveza out of the famous 1829 cow in the G- program.
