LOT 20 - Willow Creek Ewe Lamb

Offering Ewe

Tag 3043y

DOB Feb Ewe Lamb

Sire TA

Dam Signature

Breed Reg Hampshire

Comments This last ewe on the sale is certainly one of the best. This TA sheep has worked unbelievably well. I like him because he is one of the few bucks that can drop that lower third into their leg and bulge through there stifle without messing them up skeletally. 3063 is dammed by a great Signature daughter and she never misses. This female is open in her base and muscular without giving up any look.
