Description

DUBK Kent 504K ET is just a POWERHOUSE of a bull! This bull is just all around impressive big boned, clean fronted, level topped, deep bodied and a gentle giant to top it off. Kent's EPD's do not disappoint either with a -3.6 for BW and a CED of 16 he will be an awesome heifer bull. His sire and dam even go back to the great Wulf Cattle. Be sure to mark Friday March 17 as the day to invest in your new herd bull that will put profit in your wallet.
