Description

Every year it seems like we have a late born yearling that hits her stride about this time of year and surprises all of us. This yearling has show ring written all over her with all kinds of gas left in the tank. She has a presence about her that makes her stand out in our yearling pen. Crome 2877 or Matilda as she is know around our farm was the last ewe Megan showed at NAILE and was 3rd Late Fall if I remember right.
