**Description**

We decided to offer this young female just coming into the prime of her life, that represents everything Narrow Brook. Soundness, temperament, udder quality, phenotype and genotype with an emphasis on cow families. Her early February steer calf is out of FSF Perfect Timing (Perfection son owned by Hale Farms), is dynamic, hairy and stout. A redneck roan that can chase the points in the MI Shows program in 23-24! Look her up sale day, you'll like what you find!
