Description

Desa Rae K206 is a well-bred cow prospect sired by the proven curvebender sire OMF Epic. K206 is out of a top producing first calf heifer sired by Cowboy Cut and out of our pick from the Silvertowne Farms dispersal. Genetically, K206 is a good investment to your herd having an impressive and balanced EPD profile ranking in the top 25% in 8 different categories. K206 is a breeding piece that you don't want to miss out on.
