Description

Straight from the replacement pen! Rain is the natural calf of our donor cow One Eyed Mary 410D. With limited showing, Mary was crowned Supreme Champion Cow/calf Pair at the 2018 UP State Fair. Rain's sire is a W/C Nightwatch son, our pick of the 2021 Olrich + Friends Bull sale out of Nebraska. Rain is a perfect combination of good looks and structural integrity. Bid early and often on this sweet girl!
