Description

Foundation' is a Romancer son we sold to Brown Show Stock a few years ago and kept a breeding right too and boy did he work! He is a full brother to the dam of our junior champion ewe last year and to the high selling ewe here two years ago! TRD 1906 is also a Romancer daughter and a full sister to an our famous Little Honey ewe. These genetics are, in our eyes, the best we can offer and what we have built our flock around! This girl has that freaky extension that we love!
