Description

BCVF Kali 540K is a Wulfs Genius 5293G daughter that represents her sire well. She is Home Black and Homo Polled, She has extra depth body and volume that the Limousin bred is looking for. She may have a calf at side by sale day to Cole Earnings Power 79H. We think this is the kind of female that will make a productive, efficient cow that will last a long time. Horn/Poll/Scur: Homo Polled Color: Homo Black
