Description

As the sponsor for the day's broadcast, your company/farm's logo will be prominently displayed in a static location on the broadcast page for the duration of the show. This provides consistent branding and exposure throughout the entire event.

In addition to the online presence, you'll also have a large 3'x7' banner hung above the show ring, either on the south or north side depending on available space. This physical banner will ensure your brand is highly visible to all bidders and attendees at the live event venue.

Please note that in addition to your static logo on the broadcast page and the physical banner, there may be other rotating sponsor logos incorporated into the online broadcast as well.

By securing this sponsorship package, your company/farm will benefit from extensive visibility both online and at the live event, putting your brand front and center for this prominent show.

Don't miss this valuable marketing opportunity!
