Species Sheep

Codon RR NN

Sale Rep Kendra Fleck 814-441-0981

Description

This is a well balanced, long body ewe. Her full sister was Champion at the Big E last year. The only reason we are willing to sell her, is because her full sister just had a ewe lamb we will be showing this summer. The 2 yearling ewes entered for the sale is what our flock is built around.

Offering Ewe
