LOT 1317 - BarnTalk Livestock

Offering Ewe

Sire Marshall \Iceman\" 873"

Breed Oxford

Comments When we purchased the Marshall ewes in 21, we ended up with Iceman in the group. Barrett said he needed to be used, I am glad I listened. He produced the Reserve Ewe at INSF in 22 for us, as well as two super fancy females that year, with only being bred to 3 ewes. We turned him loose last year and kept every one of the females we had last year. This will be the first and last time we will offer a female sired by him, as he turned 6 this spring. Look in!
